STATEMENT CONCERNING COMMON OWNERSHIP

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This statement is filed in support of a response to the Office action dated October 1, 2003.

This Application No. 09/599,042 and the application from which Patent No. 6,366,776 matured as a patent were, at the time the invention of Application No. 09/599,042 was made, both owned by TRW Inc., as evidenced by assignments recorded in the Patent and Trademark Office under Reel/Frame 011229/0472 and Reel/Frame 010290/0766. Both this application 09/599,042 and Patent No. 6,366,776 were later assigned to Northrop Grumman Corporation, as evidenced by an assignment recorded in the Patent and Trademark Office under Reel/Frame 013751/0849.

Respectfully submitted,

Date: December 18, 2003
